20TH ANNUAL MARION COUNTY

Father Daughter Dance

February 6th & 7th, 2026

On behalf of Ambleside School of Ocala and all of the
fathers (and father-figures) and daughters
of Marion County:

THANK YOU for your willingness to consider sponsoring
the
20th Annual Father-Daughter Dance.

This treasured annual community event will be returning to
the World Equestrian Center this coming February.

The Father (or Father-figure) and Daughter's relationship is
one of the most formative in a young girl's life, and our
mission to cultivate and strengthen that special relationship
through dancing, refreshments, crafts, and fond memories will
continue with your support.

This evening would not be possible without our generous
sponsors! Your support makes it possible for us to hold these
purposeful activities in world- class accommodations for more
than 2,000 attendees.

We look forward to serving our community by carrying on this
beloved tradition of fostering connections through the Father-
Daughter Dance.

Would you be willing to partner in supporting this highly
anticipated community event this year?

Please reach out if you have any questions.
